On March 3, 1977, review of civil files numbered 75-0706 and 75-0707 in the office of the U.S. Attorney, Western District of Louisiana, Shreveport, Louisiana, revealed, in part, the following information:

Civil File 75-0706, which is U.S. Attorney's File 75-0245, relates to the Home Health Agency of Evangeline, Inc., in care of Dr. DONALD E. HINES, Medical Director, 401 North Marshal Boulevard, Bunkie, Louisiana.

Civil File 75-0707, which is U.S. Attorney's File 75-0244, relates to Home Health Agency of Avoyelles, 109 North Lexington Street, Box 250, Bunkie, Louisiana.

Home Health Agency of Evangeline and Home Health Agency of Avoyelles were providers of Medicare programs of the Social Security Act. Louisiana Hospital Services, Inc., was the fiscal intermediary which made the payments to the providers. The suits relate to claims against the providers by the Government Accounting Office (GAO) regarding overpayments to the providers under Medicare Programs. Home Health Agency of Evangeline participated in the program from March 7, 1969, to September 15, 1971. Home Health Agency of Avoyelles participated in the program from September 30, 1967, to September 15, 1971. Total indebtedness of Evangeline stands at \$5,642.32. Total indebtedness of Avoyelles stands at \$63,522.36. Judgment was recorded against both companies in U.S. District Court, Alexandria, Louisiana, on January 17, 1977.

In a letter dated July 16, 1975, to the U.S. Attorney, Dr. DONALD E. HINES, 109 North Lexington Avenue, Bunkie, Louisiana, indicates that the corporations are defunct with no assets and have done no business for several years. HINES indicates his attorney to be [REDACTED]

Dr. DONALD E. HINES, 109 North Lexington, Bunkie, Louisiana, telephone 346-7283, was furnished a copy of an FD 486, Privacy Act Statement. He then furnished the following information:

He resides at 401 North Marshall, Bunkie, Louisiana, telephone 346-6871. He was Vice President and Medical Director of the Home Health Agency of Avoyelles and the Home Health Agency of Evangeline. The Home Health Agency of Evangeline was merely a small extension of the Home Health Agency of Avoyelles. The Home Health Agency of Evangeline operated out of [redacted] building in Ville Platte, Louisiana.

b6

The purpose of these two agencies was to furnish home health services to persons in Avoyelles and Evangeline Parishes. These services consisted primarily of trained nurses to call on recipients.

[redacted] was President of Home Health Agency of Avoyelles and Home Health Agency of Evangeline. [redacted] resides at [redacted] and works for a sash and door company. He does not know the address of the company. [redacted] travels the state for the company. [redacted] wife is a school teacher in Hessmer.

Both the agencies were incorporated. Louisiana Hospital Services, Inc. was the fiscal intermediary for the agencies. Louisiana Hospital Services is Blue Cross of Baton Rouge.

[redacted] was the administrator of agencies. Originally, [redacted] was to have been the administrator but was replaced by [redacted] prior to the beginning of the operation. Being a physician and medical director, he was not personally related to the record keeping function of the agencies. He later discovered that records of the agencies were maintained very sloppily. [redacted] was responsible for the record keeping. The job was to have been merely a part-time job for [redacted]

At some point it was decided to form Avoyelles Medical Supply and Avoyelles Leasing Company. Avoyelles Medical Supply was to obtain rental on such items as hospital beds and Avoyelles

Leasing leased two cars for the nurses. The purpose of forming these companies was to hold down costs. The suits in question relate to the fact that the government, in retrospect, disallowed all costs related to those companies because those companies were related to the Home Health Agencies. They had not realized that this would be against government regulations.

There was never a profit made in the venture and there was never any money stolen with regard to the agencies. The agencies were purely non-profit and he received \$200 per month rent for a portion of his medical building. He also received a salary as Medical Director for teaching nurses aides. [redacted] also did not profit from the venture other than receiving his salary of \$500 per month.

b6
b7C

All known records with regard to the agencies were maintained in approximately six boxes in his office. Sometime in the past, he had his son and several other kids clean out a portion of his office storage area because of complaints by the State Fire Marshal. During this clean-up, his son and the other kids threw away all six boxes of records related to the Home Health Agencies including all checks, patient charts and all other records. To the best of his knowledge, there are absolutely no records anywhere with regard to these agencies. Should such records still be available, they would show a deficit rather than any assets which could be obtained by anyone. The agencies have had no checking account since approximately 1970 or 1971. The agencies maintained a checking account at the Avoyelles Trust and Savings Bank.

He personally lost several thousand dollars in the project. He lost \$2,800 on one note that he signed for the agency at the Avoyelles Trust and Savings Bank. [redacted] also was personally indebted to the bank for several thousand dollars with regard to the project.

The agencies have no legal representation. There might still be some papers regarding the incorporating of the agencies in the office of Bunkie, Louisiana Attorney [redacted]

Title: HOME HEALTH AGENCY OF AVOYELLES, INC.;
HOME HEALTH AGENCY OF EVANGELINE, INC.

Character: ASCERTAINING FINANCIAL ABILITY

Synopsis:

On 1/17/77, judgment was imposed against Home Health Agency of Avoyelles, Inc. and Home Health Agency of Evangeline, Inc. in the respective amounts of \$63,522 and \$5,642.32. The Home Health Agencies were providers of Medicare programs of the Social Security Act. Louisiana Hospital Services, Inc. was the fiscal intermediary which made payments to providers. The suits relate to claims against the providers by the Government Accounting Office (GAO) regarding overpayments. Participation in the program began September 30, 1967. Dr. DONALD E. HINES, Bunkie, Louisiana, indicated that Home Health Agency of Evangeline was a small Ville Platte, Louisiana branch of the Home Health Agency of Avoyelles. HINES advised he was Vice President as well as Medical Director of the Agencies. HINES advised that [REDACTED] currently a sash and door salesman, was President of the Agencies. HINES advised Avoyelles Medical Supply and Avoyelles Leasing were organized for the purpose of renting equipment such as hospital beds and leasing vehicles for the Home Health Agencies. HINES advised the suits relate to costs which were disallowed because of the relationships between the supply and leasing companies and the Home Health Agencies. HINES advised the payments were disallowed in retrospect by the government. HINES advised all records with regard to the Home Health Agencies were not only sloppily maintained but have previously been completely destroyed based on complaints by the State Fire Marshal. HINES advised that if the records were available, the records would show absolutely no assets, but rather would show the agencies to be completely defunct. HINES advised the agencies were non-profit and he personally lost several
